

CLASS: Knitted or Crocheted Articles

NCA Standards:

1. Yarns used must be good quality.
2. Seams must be equidistant or invisible.
3. Tension must be consistent throughout the article.
4. No pulled threads.
5. Yarn ends must be properly woven in.
6. Articles must be blocked or pressed, if applicable.
7. Accessories (ie: buttons, buckles, etc) should be properly secured.
8. All mandatory standards regarding labeling must be followed. See NCA Mandatory Standard for Textiles for further information.
