

**CLASS:** Fabric, textiles

**NCA Standards:**

1. Only good quality fabrics appropriate for the product must be used.
2. Only new stuffing materials can be used in stuffed or upholstered articles.
3. Stitching and tension should be consistent throughout the item.
4. Pattern markings must not be visible on the finished item.
5. No loose threads.
6. Accessories (i.e. buttons, buckles, etc.) must be properly secured.
7. Only fabrics meeting standards laid out in the *Children's Sleepwear Regulations* (see NCA mandatory standard for textiles) can be used for children's sleepwear.
8. All mandatory standards regarding labelling must be followed. See mandatory standard for textiles.
9. All mandatory standards regarding fabric toys, including safety eyes, must be followed. See NCA mandatory standard for toys for further information.
